Dear Sir :

This confirms my talk with you this afternoon over the phone, regarding Cicero Borough, who served in the Union Army during the Civil War.

As I explained to you, he is in bad shape physically and his mental condition is not good, due to the infirmities of old age. He has no immediate relatives to look after him, and has no money other than his pension and he needs care.

We are very glad to hear that he can be cared for at the Home, and we have made arrangements this afternoon to have him taken up on Sunday.

At the present time, we are making a search for his discharge and pension papers, but as yet, these have not been found.

Yours very truly,

Vice President.
